

# Action VERBS

**Action verbs** are words that describe an action or physical movement. They are used to tell what the subject of a sentence is doing.

## Action Verb Paragraph Search

Directions: Read the paragraph. Underline or highlight the action verbs.

The athlete prepared for the race by stretching, warming up, and visualizing his victory. He took off from the starting line and ran as fast as he could, focusing on his breath and technique. Despite encountering obstacles and competitors, he powered through and pushed himself to the finish line. In the end, he celebrated his triumph with a fist pump and a smile, proud of his hard work and determination. The crowd cheered and applauded his impressive performance, energizing him even more for the next race.
