

# VERB Tenses

Verb tenses show the different ways we can talk about what is happening or what has happened in a sentence. They help us understand when things are happening, like right now or a long time ago. There are three main verb tenses: the present tense, the past tense, and the future tense.

## Past Tense iSpy

**Directions:** Circle the past tense verb in each row.

- |     |             |           |          |
