

# Compound ADJECTIVES

Compound adjectives are made up of two or more words that modify a noun and are usually hyphenated. These compound words come before the noun and describe it.

## Re-write & Draw

**Directions:** Rewrite a descriptive sentence using a compound adjective. Then, draw a picture to match your sentence.

1. *The fiery wings left my taste buds singing.*

---

---

2. *The teeth of the shark were menacing and caused swimmers to run in fear.*

---

---
