

Coordinate ADJECTIVES

Coordinate adjectives are two or more adjectives that modify the same noun and are separated by a comma or the word "and".

Example - The big, fluffy dog barked at the mailman.

Directions: Add coordinate adjectives to match each sentence.

1. The _____, _____, _____ airplane soared through the clouds.
2. The _____, _____, _____ flowers swayed in the breeze.
3. The _____, _____, _____ statue stood tall in the park.
4. The _____, _____, _____ building towered over the city.
5. The _____, _____, _____ cake was decorated with icing and sprinkles.
6. The _____, _____ puppies chased each other around the yard.
7. The _____, _____ clouds loomed on the horizon.
8. The _____, _____ pizza was topped with cheese, pepperoni, and mushrooms.
