

Coordinate ADJECTIVES

Coordinate adjectives are two or more adjectives that modify the same noun and are separated by a comma or the word "and".

Example - The big, fluffy dog barked at the mailman.

Directions: Add commas to the following sentences to make the adjectives coordinate with the subject.

1. The small black cat sat on the windowsill.
2. He wore a green striped shirt to the party.
3. The old rusty car sputtered down the road.
4. She found a beautiful diamond ring in the sand.
5. The old rundown house was surrounded by overgrown weeds and broken fences.
6. The bright cheerful flowers swayed gently in the cool breeze.
7. The fluffy white clouds drifted lazily across the deep blue sky.
8. The heavy wooden door creaked loudly as it opened slowly.
9. The tall sturdy oak tree provided shade on the hot sunny day.
10. The rich chocolate cake was topped with fresh red strawberries.
