

Coordinate ADJECTIVES

Coordinate adjectives are two or more adjectives that modify the same noun and are separated by a comma or the word "and".

Example - The big, fluffy dog barked at the mailman.

Directions: Underline or highlight the coordinate adjectives in each sentence.

1. The cute, fluffy, little puppy slept in his cozy bed.
2. The delicious, warm, homemade cookies filled the kitchen with their aroma.
3. The bright, colorful, festive decorations adorned the room for the party.
4. The tall, dark, handsome stranger walked into the room and caught her eye.
5. The thin, delicate, fragile glass vase shattered into a million pieces when it fell.
6. The small, fluffy, white kitten meowed and rubbed against my leg.
7. The dusty, old, leather-bound book sat on the shelf, waiting to be read.
8. The soft, cozy, warm blanket kept me comfortable on the cold winter night.
9. The juicy, ripe, red strawberries tasted delicious with whipped cream.
10. The shiny, silver, metallic car raced down the street, leaving a trail of dust behind.
