

# Word Study

(Frayer Model)

The graphic organizer is a 2x2 grid of rounded rectangles. The top-left box is light blue with a teal border and is labeled 'Definition'. The top-right box is light green with a green border and is labeled 'Characteristics'. The bottom-left box is light pink with an orange border and is labeled 'Examples'. The bottom-right box is light yellow with an orange border and is labeled 'Non- Examples'. In the center, overlapping all four boxes, is a purple rounded rectangle with a white background, intended for the student to write the word being studied.

**Definition**

**Characteristics**

What I Have  
Learned

**Examples**

**Non- Examples**
