Main Idea Activity

Firefighters Visit

Today was a special day at Elmwood Elementary School. Firefighters from the local station visited to teach the kids about fire safety. They came in their big red fire truck, and everyone was excited to see it. The firefighters showed the students how to "Stop, Drop, and Roll" and explained the importance of having a fire escape plan at home. At the end of the day, each student received a fire safety coloring book to take home.
