POETRY TYPES: What is Free Verse?

Directions:

While **free verse** poetry doesn't follow any rules about rhyming or meter, it is all about using words to express feelings and ideas in any way that feels right. Follow the prompts below to write your own short free verse poems. Think carefully about what you are trying to express. Make sure your poem has a good flow.

Write a free verse poem about your favorite place to visit.

Write a free verse poem about someone you love very much.

Write a free verse poem about how you are feeling today.
