POETRY TYPES: Haiku at the Zoo

Directions:

Imagine you are on a field trip to the zoo. Reflect on the questions, and then write a haiku to describe your zoo experience. Remember, a haiku has three lines. Lines 1 and 3 have 5 syllables each, and line 2 has 7 syllables (17 syllables total).

What noises do you hear? What do you see? How do you feel?

Notes

A spiral notebook graphic with 18 horizontal blue lines for writing. The spiral binding is on the left side.
