## POETRY TYPES: Identifying Free Verse

### Directions:

Put a check mark next to the lines that would most likely be found in a free verse poem.

- Play and laugh, skip and run,  
Ev'ry day is full of fun.
- Yellow is the sun that shines so bright,  
Green is the grass that feels just right.
- Soft fur, warm purr,  
My cat curls by my side.  
Whiskers twitch, eyes glow,  
Chasing shadows on the wall.
- Tiny legs, busy scurry,  
Ants march in a line.
- Splash in the pool,  
Water so cool.  
Jump, dive, and play,  
Fun all day.
