# Write a Poem Using Internal Rhyme

**Directions:** An internal rhyme is when two words within the same line rhyme because of the sound each word makes. Internal rhymes will repeat a sound between and within a verse. Internal rhymes can include words placed at the end of a verse.

Below, write an original poem that includes internal rhyme. Include at least 6-8 verses.

Need an idea? For a challenge, include these words and create internal rhymes for each!

**beach**

**sun**

**sand**

**sea**
