## POETRY: Personification

### Directions:

Match each subject to the rest of its sentence to find out what is being personified.

The sun...

The mountain...

The shadows...

The flashlight...

The playground...

The rain...

The wind...

...called out for the children to play.

...sang a lullaby through the trees.

...chased each other on the sidewalk.

...stood tall and proud.

...peeked out from behind the clouds to say good morning.

...chased away the darkness when the lights went out.

...tapped on my wet windowpane like tiny fingers.
