POETRY: Personification

Directions:

Read this poem by an unknown author. In this box, write the number of times personification is used.

Mr. Wind and Miss Rain

Mr. Wind and Miss Rain one day
Decided they would play.
Mr. Wind said, "Let's dance and spin!"
Miss Rain said, "Yes, let's begin!"

Mr. Wind twirled round and round,
While Miss Rain tapped on the ground.
They danced together, side by side,
Through the fields and far and wide.

Mr. Wind blew leaves up in the air,
Miss Rain watered flowers with care.
Together they made the trees sway,
Bringing joy to all the day.
