Acrostic Poem Worksheet

Directions: An acrostic poem is created when a word or name is chosen and then the poet uses each letter in that word to describe themselves or express their knowledge. Use the acrostic poem below as a sample and explain what the poem means.

Learning is very fun because you can do more than you've done.

Everything is interesting! You just have to look and see!

And the best part is, learning is absolutely free!

Right now I love learning about the ocean and all its fish.

Next year I want to learn all about sharks. That's my wish.

What does the author of the poem tell us about learning?
