## POETRY: Using Repetition

### Directions:

Write a four-line poem about a season using repetition in the structure of each line to emphasize the rhythm and mood. Make sure to use at least one word or phrase that you repeat in every line.

### Season Example

*Autumn leaves, autumn breeze,  
Autumn sun through golden trees.  
Autumn whispers, autumn cheer,  
Autumn's magic drawing near.*

Four sets of primary-ruled writing lines, each consisting of a solid top line, a dashed middle line, and a solid bottom line, provided for the student to write their poem.
