

Name _____

Structure of a **POEM**

Description

What is the structure of a poem? It involves the way a poem is organized into lines and stanzas. The structure creates rhythm, shapes the poem's flow, and influences how the reader experiences the poem's message. Understanding lines and stanzas helps decipher a poem's form and meaning. The following poetry structure worksheets will deepen your understanding of, "What are lines and stanzas in poetry?"

Need to brush up on the topic? [What is the Structure of a Poem?](#)
