POETRY: Using Repetition

Directions:

Write a four-line poem about an emotion (happiness, nervousness, sadness, etc.) using repetition to emphasize that feeling. Make sure to use at least one word or phrase that you repeat in every line.

Emotion Example

*Happiness is here, happiness is near,
Happiness in the air, happiness ev'rywhere.
It dances on the breeze, and sparkles in the light,
Happiness all around, making spirits bright.*

Four sets of primary-ruled writing lines, each consisting of a solid top line, a dashed middle line, and a solid bottom line, provided for the student to write their poem.
