Making Inferences

Directions: Read the short passages and then answer each question **quoting** evidence from the text to make inferences about each scenario.

The sun beat down mercilessly on the lush greenery of the park, casting dappled shadows under the swaying branches of towering oak trees. A gentle breeze stirred the leaves, offering some relief from the oppressive heat. Groups of people dotted the landscape, engaged in various leisurely activities. Some lounged on checkered blankets, enjoying picnics filled with gourmet treats, while others tossed frisbees with exuberant laughter ringing through the air. The friends, clad in vibrant summer attire and trendy sunglasses, exchanged lively banter as they spread out their picnic feast on a patch of soft grass. Their smiles were infectious, mirroring the carefree spirit of the day

- What are some activities that people are doing in the park?

- How do the friends feel based on their expressions and actions?

- What is the atmosphere in the park based on the description?
