

Name _____

Understand Metaphors

Directions: For each metaphor circle the two things that are being compared.

1. Imagination is a rocket ship that takes you to other planets.
2. My little brother is a tornado of mischief.
3. My goldfish is a tiny comet streaking through his watery universe.
4. The lake at my grandparents' house is a mirror reflecting the sky's colors.
5. The student is a busy bee as he works on his science project.
6. Unlike me, my sister is a night owl.
7. My cat is a soft pillow of fur.
8. When I am not feeling well, my mother's hugs are good medicine.
