# Adjective or Adverb?

CCSS.ELA-LITERACY.L.2.1.EE

## Directions:

It's essential to keep in mind that adjectives modify nouns, while adverbs modify verbs, adjectives, or other adverbs. For each word, draw a line to either the left if it's an adjective or the right if it's an adverb. The first one has been done for you as an example.

ADJ

perfectly

ADV

ADJ

heavy

ADV

ADJ

sharp

ADV

ADJ

instantly

ADV

ADJ

eagerly

ADV

ADJ

cold

ADV

ADJ

always

ADV

ADJ

roughly

ADV

ADJ

thick
