

Name _____

Identifying Conjunctions

Directions:

Each of the sentences below contain at least one conjunction. Some have only one, and some have two. Underline each conjunction that you find. The first one has been done for you as an example.

1. The coins are under the couch cushions and in the drawer.
2. She walked along the beach at sunset or went home early.
3. The little boy is hiding behind the tree but his sister is not.
4. The book fell off the table and onto the floor.
5. My mother baked cookies while I cleaned the kitchen.
6. My brother and I did the dishes after dinner.
7. The dog barked when someone knocked at the door.
8. We cleaned the house and vacuumed the living room.
9. She read a book while sitting
by the window.
10. The lamp broke because it fell
off the table.
