## Identifying Conjunctions

### Directions:

Each of the sentences below contain at least one conjunction. Some have only one, and some have two. Underline each conjunction that you find. The first one has been done for you as an example.

1. We sat beside each other and watched the concert.
2. The car drove through the tunnel but didn't slow down.
3. Carl put the book on the shelf and by the window.
4. My father walked towards the door but didn't open it.
5. The meeting is scheduled for tomorrow and the plan is set.
6. She bought popcorn and a soda for the concert.
7. They clapped loudly when the band started playing.
8. The concert ended early so we went out for ice cream.
9. My friends and I sang along with the band.
10. The lights dimmed and the crowd  
cheered while my friends found  
their seats.
