# Identifying Idioms in Context

**Directions:** Read each sentence carefully. Identify the idiom and underline it.

1. *The presentation was challenging, and Thaddeus had to face the music and admit he hadn't prepared well.*

2. *Sienna didn't want to go to the dance, but her friends finally twisted her arm and convinced her to join them.*

3. *Jasper thought he could finish his science project quickly, but he bit off more than he could chew.*

4. *When Amara finally found her lost bracelet in her backpack, she realized it had been hiding in plain sight the whole time.*

5. *Gideon promised to keep his friend's secret and said his lips were sealed.*

6. *When Elliot found out he won the art contest, he was on top of the world.*

7. *Hazel tried to explain her idea, but she was beating around the bush instead of getting to the point.*

8. *When they started planning the event, the team made sure they were all on the same page before moving forward.*
