

Name _____

Illustrate the Idiom

Directions: Below are some common idioms along with their meaning. Your task is to read each idiom, then, in the space provided, draw what it would look like **if taken literally** (as if you didn't know the idiomatic meaning).

1. "A piece of cake."

it is very easy to do

2. "Break the ice."

to start an activity to make people feel more comfortable, especially in a new or awkward situation

3. "A penny for your thoughts"

asking someone what they are thinking

4. "Under the weather"

feeling sick or unwell

5. "Spill the beans."

to reveal a secret or share information that was meant to be kept private
