Hyperbolic Story Starter

Directions: Hey there, storytelling superstars! We're going to kick off some wild adventures with a hyperbolic story starter. Hyperboles aren't just fun—they make your stories bigger, bolder, and more exciting!

Read the story starter below, then continue writing the story. Be sure to include at least three hyperboles of your own as you write.

It was the hottest day in the history of the universe. The sun wasn't just shining—it was practically breathing fire onto the earth. Hyperbole Hazel and her toucan, Tuck, were on a mission to find the world's coldest ice cream, rumored to be hidden deep inside a freezer fortress guarded by an army of snowmen. Their backpacks felt heavier than mountains, and the road stretched on for what seemed like a million miles. Just when they thought they couldn't take another step, they spotted something shimmering in the distance...
