# Idiom Dialogue

**Directions:** Write a short dialogue (a conversation between two or more people) between two characters of your choice. Make it at least 6 sentences long. Below are some idioms you could use, but feel free to use any idioms you want. Try your best to include the idioms naturally in the two characters' conversation. Underline each idiom.

**Two-Line Example:**

**Kate:** *I feel like I've bitten off more than I can chew with this science project!*

**Ben:** *Well, now the ball is in your court. You've got to decide how to handle it.*

- Break the ice
- Hit the ground running
- Under the weather
- The tip of the iceberg
- Out of the blue
- Break the mold
