10(O) REASONS I LOVE SCHOOL

Directions: School is a place where we learn new things, make friends, and have fun every day. There are so many reasons why school is amazing, from your favorite subjects to the people you see each day. In this activity, you'll think of all the reasons you love school! Don't worry if you can't list them all at once – take your time and be creative! Write at least **10 reasons** why you love school. You can write more on the back of this page if you like!
